

The new Audi A4 Saloon
Pricing and Specification Guide
Valid from October 2007

A User’s Guide

This guide has been designed to help you tailor and price your chosen Audi model quickly and logically. At the back of this guide, you will also find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. If you wish, you can also go to audi.co.uk and configure your Audi online.

The new A4

Archiv: www.auto-preisliste.de

With its innovative technologies and modern, pioneering design, the new Audi A4 is set to completely redefine your driving experience. Sporty exterior styling and exceptional interior refinement ensure that it creates a long-lasting impression of style and sophistication, which is reinforced when you start to discover the exclusive features that lie beneath its sculpted bodywork.

The Audi Drive Select system provides agility and control, while retaining directional stability and precise steering in difficult, high-speed driving conditions. What's more, Audi Drive Select can be tuned by each individual, ensuring a drive that's perfectly customised for your needs. But that's not all. The climate controlled seats add even more comfort, while Audi Side Assist and Audi Lane Assist guarantee a safer, more satisfying journey.

In short, the new Audi A4 incorporates the ideal combination of cutting-edge design and advanced technologies, allowing it to deliver one of the most balanced, rewarding driving experiences in the industry. From its sporty appearance to its refined interior features, each aspect has been expertly developed to produce a remarkable vehicle that raises the benchmark for design and driving dynamics.

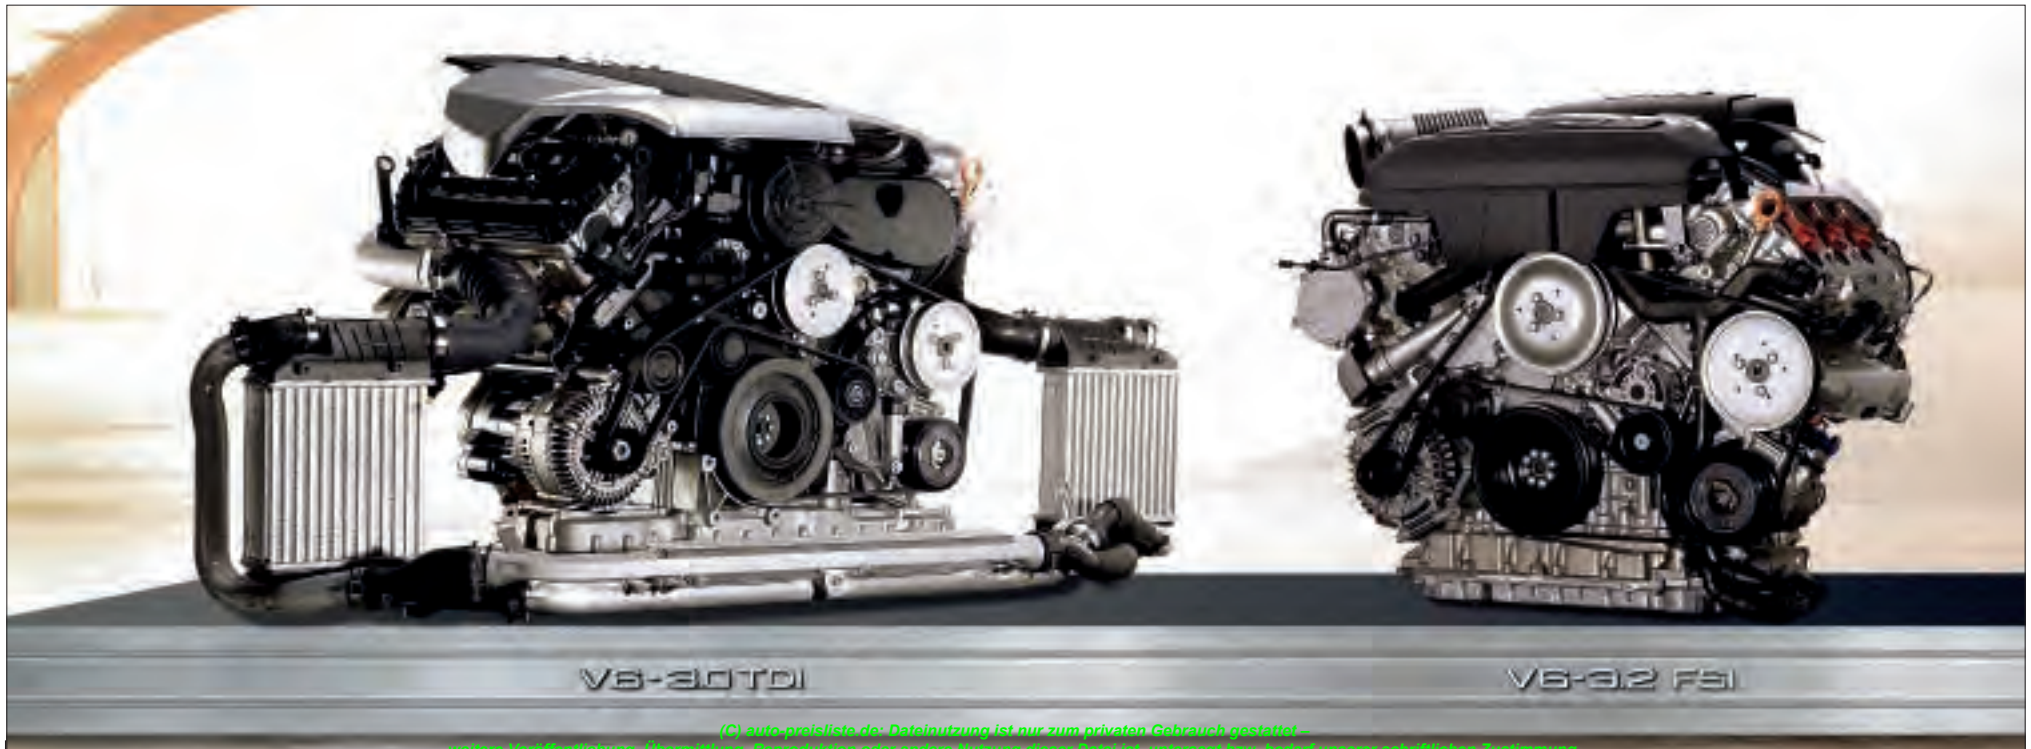

Petrol

All A4 petrol engines feature FSI® direct-injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque as well as enhanced fuel efficiency. The way it does this is, in theory, very simple. Precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for the buyer who wants a sporty, exhilarating drive without the drawbacks of excessive fuel costs or high CO₂ emissions.

Diesel

All diesel engines from Audi are known as TDI. This impressive technology was originally pioneered by Audi in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. Like its FSI petrol counterpart, the TDI diesel engine is designed for power, performance, low fuel consumption and CO₂ emissions.

All A4 TDI engines are based on the common rail system. Here, fuel is stored and kept at constant pressures of up to 1,600 bar, ready to feed a series of highly accurate piezo injectors, which control the rate and point of injection.

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the A4 so thrilling to drive. It's called quattro permanent four-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe. In the A4 asymmetric-dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

Standard model equipment

Archiv: www.auto-preisliste.de

All A4 models have the following items of standard equipment:

Wheels, tyres and suspension

7.5J x 16 '7-arm' design alloy wheels with 225/55 R16 tyres and locking wheel bolts
Space-saving spare wheel

Audio and communication

Audi Chorus audio system – single CD-player with 6.5" monochrome display
4 loudspeakers (80 Watts)

Seats

Cosinus cloth seats with manual height adjustment
Split folding rear seats

Safety and security

Daytime running lights
ESP
First aid kit
Front and rear fog lights
Front and rear ISOFIX seats with front passenger airbag de-activation switch
Front side airbags
Headlight range adjustment
Thatcham category 1 alarm and immobiliser
Toolkit and car jack
Warning triangle

Interior equipment

1-zone climate control
12V power socket in boot
4-spoke leather steering wheel
Door sill trims in Aluminium optic
Driver's Information System (DIS)
Electric front and rear windows
Electromechanical parking brake
Front and rear floor mats
Intelligent key
Micrometallic inlays
Rear armrest
Steering column adjustment for rake and reach

Exterior equipment

Auto-opening boot lid
Exterior mirrors – electrically operated and heated

In addition to standard model equipment:

Wheels, tyres and suspension

7.5J x 17 '7-arm' design alloy wheels with 225/50 R17 tyres and locking wheel bolts

Space-saving spare wheel

Audio and communication

Audi Concert radio – CD-player with MP3 capability, 6.5" colour display and SD memory card reader

Audi sound system speaker package, 10 speakers including subwoofer (180 Watts)

Interior equipment

4-spoke leather multi-function steering wheel

Auto-dimming rear view mirror

Aluminium Hologram Inlays

Deluxe 3-zone climate control with separate air distribution and digital display for driver and front passenger. System includes air-conditioning controls in the rear centre console for rear passenger compartment

Door sill trims in Aluminium optic

Driver's Information System (DIS) in colour

Front centre armrest including 2 x 12V power sockets

Interior chrome package

Safety and security

Automatic headlight operation

Automatic windscreen wipers

Rear acoustic parking system

Exterior equipment

3.0 TDI quattro	240PS	6-speed manual	£29,500.00	£30,290.00

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® automatic transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. A continuously variable transmission available on front-wheel-drive models, multitronic® operates

in an exceptionally wide range of gear ratios thanks to its steel link-plate chain construction. The result is exceptional driving comfort, as well as smooth, powerful acceleration over the entire range of engine speeds. In addition, thanks to its lightweight design and the DRP Dynamic Regulating Programme which monitors

gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption. And with seven simulated gear ratios available, you can enjoy all these benefits whilst adopting the sporty driving style of a manual.

2H1 1N7	Audi Drive Select Dynamic Steering (only available on 6-cylinder models)	-	•	£851.06	£1,000.00
2H1 1BL	Audi Drive Select with Damper Control (only available with servotronic)	-	•	£851.06	£1,000.00
2H1 1BL 1N7	Audi Drive Select Full Package with Damper Control and Dynamic Steering (only available on 6-cylinder models)	-	•	£1,446.81	£1,700.00
7K6	Tyre pressure monitoring display	-	•	£63.83	£75.00

Dynamic Steering

With this new technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations.

Damper Control

The optional Damper Control system makes individual settings for suspension tunings possible. A lowered sports suspension forms the basis. Adjustable hydraulic dampers alter the damper characteristics individually for each wheel.

Audio and communication

Order code		Standard	SE	Basic RRP	Total RRP ^{inc. VAT}
8UD	Audi Concert Radio. Single CD with MP3 compatibility, colour centre console screen and SD memory card reader	• -	- S	£246.81 no charge	£290.00 no charge
8UM	Audi Symphony Radio, with front-loading MP3-compatible 6-CD changer, colour centre console screen and SD memory card reader	• -	- •	£472.34 £225.53	£555.00 £265.00
9VK	Bang & Olufsen sound system, designed specifically for the A4, providing surround-sound reproduction with dynamic-noise compensation, 14 high-performance loudspeakers (505 Watt) and 10-channel amplifier	-	•	£446.81	£525.00
QV3	DAB digital radio. Only in combination with Satellite Navigation system Plus	-	•	£255.32	£300.00

7D3	Audi Music Interface (AMI). Universal connection for use with stereo audio sources and Apple iPod generation 4 onwards (iPod, iPod mini, iPod nano, iPod photo, iPod video). Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen, including track titles. The interface provides power as well as a convenient rubberised storage tray. An adapter cradle is required at additional cost. Please consult your Audi Centre for details. Only in combination with Satellite Navigation system Plus	-	•	£170.21	£200.00
PNA	Satellite Navigation system Plus. DVD-based route planning and guidance with MMI, radio, CD-changer and European-coverage TMC-enabled DVD. (With this feature installed the MMI controls move from sound system head-unit to around the gear lever)	-	•	£1,680.85	£1,975.00

6-CD in-dash changer – part of Satellite Navigation system Plus

Satellite Navigation system Plus

Audio and communication

Order code		Standard	SE	Basic RRP	Total RRP inc. VAT
PT5 6E3	Mobile telephone preparation – Low. In front centre armrest, uses Bluetooth interface or cradle to connect to your A4, including roof aerial for optimal reception. Includes centre armrest for Standard trim models. A phone adaptor is required at extra cost, please see your Audi Centre for phone compatibility. (Only in combination with Concert radio or Symphony radio and multi-function steering wheel)	•	–	£446.81	£525.00
		–	•	£319.15	£375.00
9ZW	Mobile telephone preparation – High. Uses Bluetooth interface with no physical connection to your A4, including roof aerial for optimal reception. Please note that your mobile phone must have SIM-Access Profile facility for full functionality. (Only in combination with Satellite Navigation system Plus)	–	•	£553.19	£650.00
PT4	Mobile telephone preparation – High (with privacy handset). The handset allows passengers to make private calls, provides remote control of the telephone functions as well as convenient SMS text messaging function. The handset is charged from a docking station integrated into the front centre armrest. (Only in combination with Satellite Navigation system Plus)	–	•	£808.51	£950.00
QH3	Voice Control System. Operates key basic functions of Satellite Navigation system Plus. (Only in combination with Satellite Navigation system Plus)	–	•	£276.60	£325.00

Bluetooth mobile phone with Privacy Handset

MMI Control – position when combined with Satellite Navigation system Plus

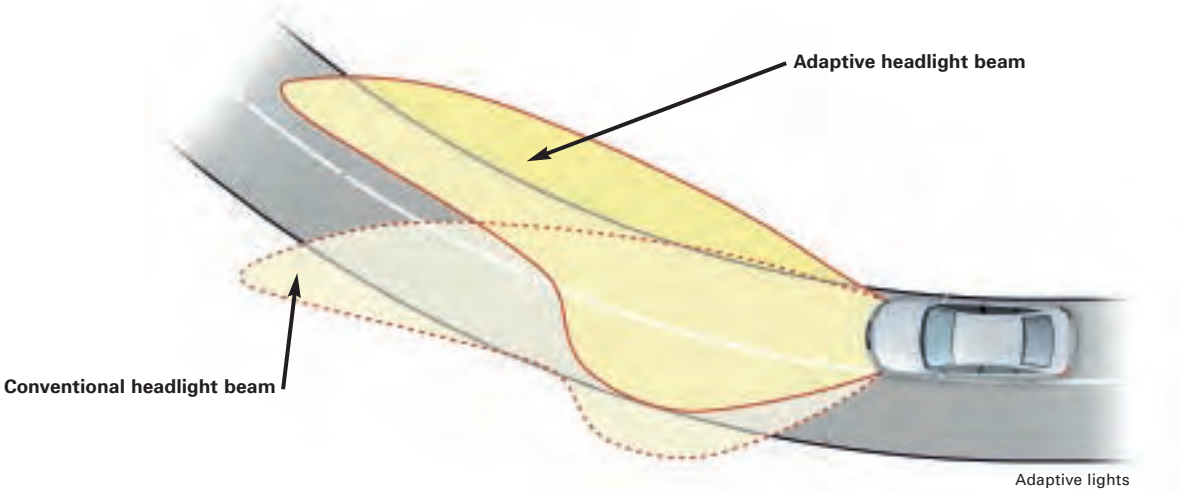

Seats

Order code		Standard	ES	Basic RRP	Total RRP inc. VAT
PV1	Electric front seats , with adjustment for height, forwards and backwards position, backrest angle and lumbar support for driver and front-passenger seats	•	•	£638.30	£750.00
PV3 6XL	Comfort pack . Comprising electric front seats with memory function on driver's side, door mirrors – electrically folding and auto-dimming with memory function, auto-dimming rear view mirror	–	•	£1,191.49	£1,400.00
7P1	Electric lumbar support for front seats , with horizontal and vertical adjustment	•	•	£195.74	£230.00
4A3	Heated front seats , individually controlled seatbase and bolster heating with variable temperature adjustment	•	•	£212.77	£250.00
4A4	Heated front and rear seats , individually controlled seatbase and bolster heating with variable temperature adjustment. (Not available with cloth upholstery)	•	•	£382.98	£450.00

Safety and security

Order code		Standard	SE	Basic RRP	Total RRP inc. VAT
7X4	Audi Parking System Plus. Aids parking by acoustically and graphically indicating distances to obstacles in front of and behind your A4	–	•	£255.32	£300.00
7X8	Audi Parking System Advanced. Aids parking by acoustically and visually indicating distances to obstacles in front of and behind your A4 with guiding lines. Measured by ultrasonic sensors with camera integrated discreetly in the boot handle. (Only in combination with Satellite Navigation system Plus)	–	•	£595.74	£700.00
7Y1	Audi Side Assist. Aids the driver when changing lane. Audi Side Assist monitors the area behind your A4, using radar sensors located discreetly in the rear bumper and informs the driver with a visual warning signal in the door mirror if there is a vehicle in the driver's blind spot or approaching quickly from behind. The system is activated using a button in the driver's door	–	•	£382.98	£450.00
7Y2	Audi Lane Assist. Uses a discreet camera at the top of the windscreen to monitor the road ahead. The driver is warned with a vibration of the steering wheel if the vehicle is about to exit the lane unintentionally. Only in combination with 4-spoke multi-function steering wheel	–	•	£382.98	£450.00
6XK	Exterior mirrors – heated and electrically-folding	–	•	£127.66	£150.00
PX4 / 8K4	Xenon plus headlights with LED daytime running lights (includes headlight washers)	–	•	£659.57	£775.00
PX4 8Q5 8K4	Xenon plus headlights with adaptive light and LED daytime running lights. Xenon plus headlights for dipped and main beam with swivelling headlights for improved illumination of a winding road	–	•	£936.17	£1,100.00
VC1	Garage door opener (Homelink*). Programmable radio-operated remote control for compatible doors/gates. Control buttons integrated in the front roof module	•	•	£148.94	£175.00
UH2	Audi Hill-Hold assist. Automatically activates electromechanical parking brake when stationary	•	•	£38.30	£45.00

Interior equipment

Order code		Standard	SE	Basic RRP	Total RRP ^{inc. VAT}
4F2	Advanced key. Access and authorisation system which automatically exchanges data between key and vehicle, allowing the driver to keep the key in their pocket or bag at all times. To unlock and open, simply lift the exterior door handle. To lock, press the button on the handle. Pressing the start/stop button integrated into the centre console starts and stops the engine	-	•	£421.28	£495.00
9Z3	230-volt socket in centre console	-	•	£102.13	£120.00
QE1	Storage pack	•	•	£85.11	£100.00
3X2	Ski bag with through-load facility	•	•	£136.17	£160.00
8T1	Cruise Control	•	•	£161.70	£190.00
8T4	Adaptive Cruise Control (ACC). Automatic distance regulation, uses radar sensors to maintain required distance by braking and accelerating. Four programs (distance 1 to distance 4) set via steering column controls of the Cruise Control system	-	•	£936.17	£1,100.00
QQ1	Interior light pack. Includes rear reading lights, entrance lights, front footwell lights, active door reflectors and illumination to the glove compartment, vents and internal door controls	•	•	£140.43	£165.00

Exterior equipment

weight, ground clearance (measured with vehicle carrying its maximum load), luggage compartment volume in litres (460/839/1130 measured by the VDA standard test method using 200 x 100 x 50 mm blocks; second value: with rear seat folded down). Turning circle approx 11.1 m

CO2 data and information

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the type of fuel a vehicle uses and the amount of Carbon Dioxide (CO₂) it emits, measured in grams per kilometre (g/km). The DVLA has created six categories for petrol and diesel engines.

CO2 emission figures

The CO₂ emission figures quoted in the technical data section on page 44 are based on a fully-laden vehicle, including the driver, and the heaviest possible options configuration. Actual CO₂ emissions may be lower depending on options selected.

	Petrol and Diesel engines
A – up to 100g/km	£0.00
B – 101 to 120g/km	£35.00
C – 121 to 150g/km	£115.00
D – 151 to 165g/km	£140.00
E – 166 to 185g/km	£165.00
F – 186 to 225g/km	£205.00
G – over 225g/km	£300.00

Servicing

Servicing tailored to your needs

With the introduction of model year 2008 TT, A3, A4 and A5 (other models to follow) an improved variable maintenance concept with a revised and simplified maintenance schedule has been introduced to meet the increasingly varied needs of Audi drivers.

As with the original LongLife Servicing there is still the ability to opt for the traditional Fixed Interval Inspection servicing with oil changes every 10,000 miles or the new enhanced servicing concept.

With this new regime the oil change remains variable and, depending on operating conditions, can be carried out up to 20,000 miles or 2 years.

Enhanced LongLife servicing

Fixed Service intervals:	
Oil-change Service	Every 10,000* miles/1 year
Interval Service	Every 20,000* miles/2 years
Interval Service Inspection	Every 40,000* miles/4 years

However, with enhanced LongLife Servicing, the Inspection Service elements are separate to oil changing. These are carried out for the first time at 3 years or 20,000 miles and then every 2 years/20,000 miles thereafter.

The time and distance remaining until each part of the service is required is displayed separately via the Service Display on the car's computer.

In practice, this new service concept results in lower ownership costs, as maintenance work is carried out when your vehicle really needs it.

Variable Service intervals:	
Interval Service	Flexible to a maximum 20,000* miles/2 years
Interval Service Inspection	Every 20,000* miles/3 years, then every 20,000 miles/2 years thereafter

*Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am-6pm Monday to Friday
9am-5pm Saturday

Service: 8am-6pm Monday to Friday
8.30am-1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5%.

Delivery charge	£469.36
Numberplates	£20.00
VAT	£85.64
Total	£575.00

Audi Roadside Assistance

Your new car comes complete with free roadside assistance and recovery across the UK provided by RAC Motoring Services. Your 24 months' free cover can be extended for a further year free-of-charge, provided that your vehicle is serviced and, if necessary, repaired by an Authorised Audi Centre or Audi-Authorised Repairer in accordance with the manufacturer's instructions.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the third year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire Purchase
- ▶ Lease Purchase
- ▶ Finance Lease
- ▶ Contract Hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
