

### The Audi A6

Pricing and Specification Guide  
Valid from November 2009

## Personalising your Audi A6

This guide has been designed to help you tailor and price your Audi A6 quickly and logically. At the back of this guide, you will also find information on CO<sub>2</sub> emissions-based vehicle excise duty and the other services offered by Audi, including Finance and Insurance.

## Vorsprung durch Technik.

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in

the history of the motorcar. From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

## The Audi A6 – luxury refined.

We haven't made the fuel tank bigger, we've just made our engines more fuel efficient. On the Audi A6 2.0 TDI, for instance, you'll get up to 107 more miles each time you fill up. And across the whole A6 diesel engine range, you'll get between 48 and 127 more miles. So one place you won't be going with all those extra miles is the petrol station.

## Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO<sub>2</sub> and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A6.

### Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A6, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

### TDI and FSI

Inside the Audi A6 you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI and FSI, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

## Engines

### Petrol

FSI direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI, with either turbocharging or supercharging, which combines FSI technology with forced induction – giving cars an extra injection of power.

### Diesel

All diesel engines from Audi are known as TDI – Turbo Direct Injection. This impressive technology was originally pioneered by Audi in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. Like its FSI petrol counterpart, the TDI diesel engine is designed for power and performance, with low fuel consumption and CO<sub>2</sub> emissions. For instance, the new 2.0 TDIe engine emits just 139g/km of CO<sub>2</sub>, making it one of the cleanest engines in its class, and we've also refined our V6 engines to make them more efficient than ever before.

## Transmission

### **multitronic®**

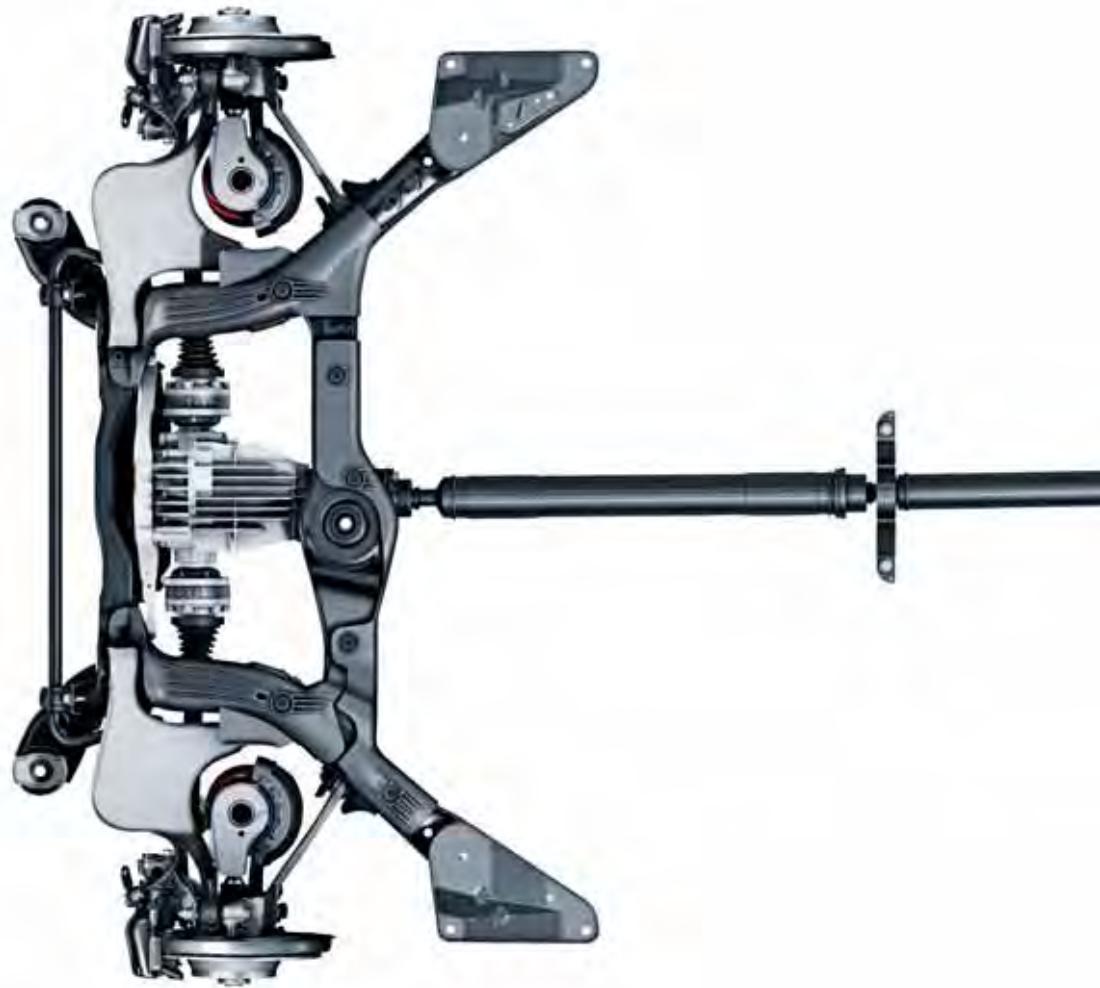

Translating a driver's preferences and intentions into road performance, the multitronic® transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® automatic transmission is available on models without quattro® permanent all-wheel-drive. A continuously variable transmission, multitronic® can transmit up to 400Nm of torque and permits an exceptionally wide range of gear ratios. The result is smooth, powerful acceleration and a high level of driving comfort. And thanks to its lightweight design and a number of advanced electronic control systems that monitor gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption.

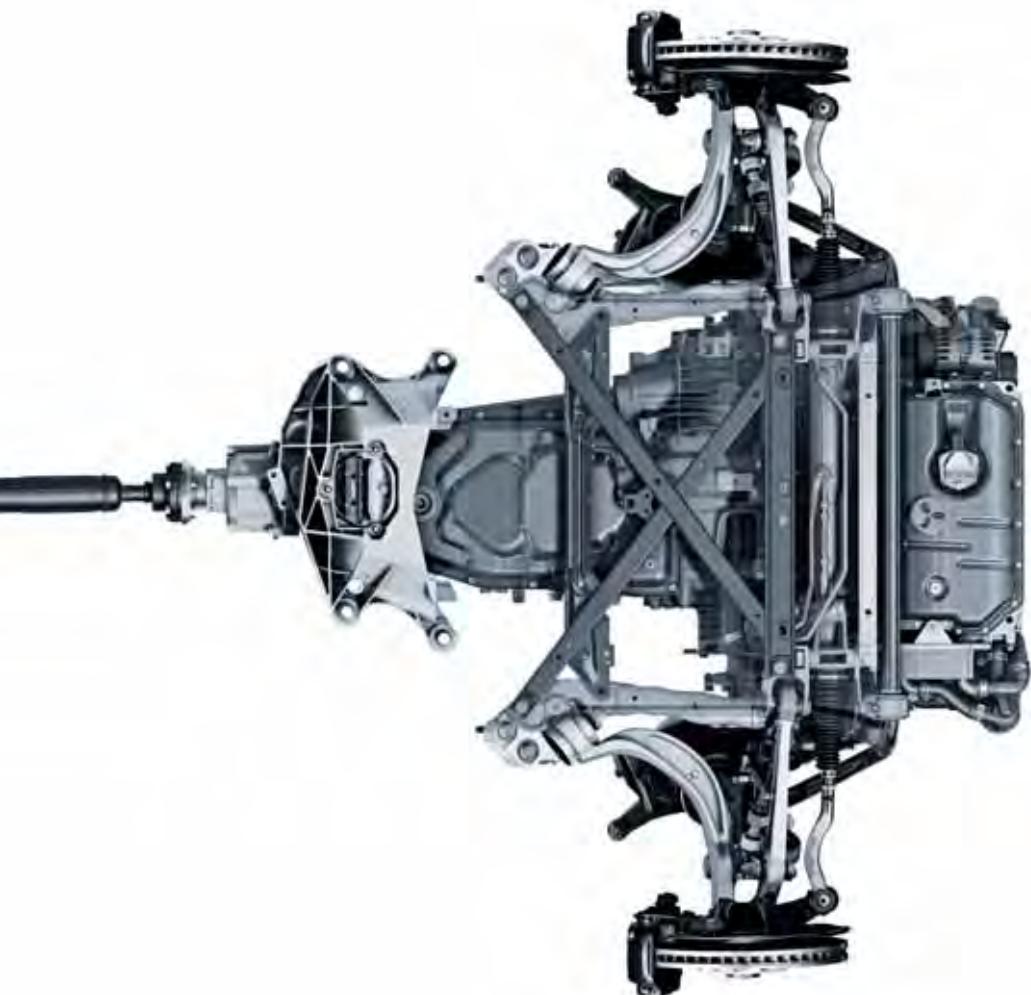

### **tiptronic®**

The 6-speed tiptronic® transmission system is a form of automatic transmission available on Audi models with quattro® permanent all-wheel-drive. The technology converts high-torque engine power into both sporty performance and operating convenience, with crisp, fast gear changes, reduced weight and an optimised gearshift strategy. More spontaneous gear changes are a particular benefit, especially when down-shifting. Both in the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic® respond efficiently to every driver input, helping to prevent unwanted upshifts when cornering.

## quattro®

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the A6 so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

In the A6, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

# Standard model equipment

**All A6 models have the following items of Standard equipment**

## Wheels, tyres and suspension

17" x 8J 'Structure' design alloy wheels with 225/50 R17 tyres  
Four-link front suspension  
Spare wheel - full-size alloy\*  
Sports suspension, 20mm lower (2.0 TDI models only)

## Audio and communication

MMI Radio Plus, including  
– FM/AM radio  
– 10 speakers  
– Single CD player  
– DSP sound system  
– 2x SD memory card readers

## Safety and security

Anti-lock Braking System (ABS) with EBD  
Anti-Slip Regulation (ASR) traction control  
Audi backguard head restraints for front seats (adjustable)  
Brake light – third brake light in rear window

Brake system: disc brakes at front and rear, ventilated at front

Central locking with radio remote-control  
Driver and front passenger two-stage airbags with front passenger airbag deactivation  
Dynamic suspension system  
Electric child locks for rear doors and windows

Electromechanical parking brake  
Electronic Differential Lock (EDL) traction control  
Exit lights and active reflectors on all doors  
Front fog-light  
ISOFIX child-seat mounting (front-left and outer-rear seats)  
LED rear lights  
Light and rain sensors including coming/leaving home function  
Rear fog-light  
Servotronic steering – power steering with speed-dependent control  
Side airbags for driver and front passenger

Sideguard head airbag system to protect front and outer rear passengers in a side collision  
Side-impact protection in all doors  
Thatcham Category 1 alarm and immobiliser  
Warning triangle

## Seats

3-point seat belts for all seats with front belt-force limiters  
Split-folding rear seats  
Meridian cloth upholstery

## Interior equipment

12V power socket in luggage compartment (Avant models only)  
12V power socket in rear centre console  
4-spoke leather multi-function steering wheel (adjustable for reach and rake)  
Aluminium fascia and door trim inlays  
Ashtrays, illuminated, at the front of the centre console and in the rear doors

17" x 8J 'Structure' design alloy wheels

Dual-zone electronic climate control

Split-folding rear seats

Meridian cloth upholstery

Centre armrests, front and rear, with storage compartment  
 Coat hooks with cushioned action, two recessed in roof area  
 Compartment for glasses in front roof module  
 Cruise control  
 Cup holder within the centre console storage compartment and a second cup holder beneath the front centre armrest  
 Driver's Information System (DIS)  
 Dual-zone electronic climate control  
 Electric front and rear windows  
 Floor mats in front and rear  
 Heated rear window  
 Heat-insulating glass  
 Illuminated vanity mirrors

**Exterior equipment**  
 Body-coloured door mirrors, handles and bumpers  
 Electrically adjustable and heated door mirrors  
 Halogen headlights with manual range adjustment  
 Rear window wash/wipe (Avant models only)  
 Roof rails in aluminium (Avant models only)  
 Windscreen-washer jets, heated  
 Load area comprising rail system, lashing points and folding load-area floor (Avant models only)  
 Luggage compartment cover (Avant models only)  
 Reading lights – two at front and two at rear  
 Scuff plates with metal inlays  
 Tool kit in luggage compartment

4-spoke leather multi-function steering wheel

Driver/front passenger two-stage airbags with front passenger airbag deactivation

A6 Avant lashing points and rail system

LED rear lights

# SE model equipment

## In addition to Standard model equipment

**Basic RRP**  
£1,104.35

**Total RRP inc VAT**  
£1,270.00

Milano leather upholstery

### Audio and communication

Mobile telephone preparation – Low  
(see page 45 for details)

Technology package – Low,\* including:

- DVD Satellite Navigation system  
(see page 42 for details)
- 6-disc CD changer

## In addition to SE model equipment

**Basic RRP**  
£1,830.43

**Total RRP inc VAT**  
£2,105.00

Mobile telephone preparation – Low

### Wheels, tyres and suspension

18" x 8] '5-spoke' design alloy wheels  
with 245/40 R18 Y tyres

Sports suspension (S line suspension  
available at no extra cost\*\*)

### Seats

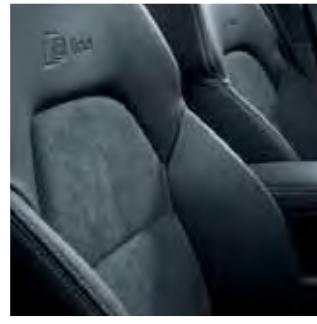

Front Sports seats with S line logo,  
including electrically adjustable lumbar  
support for both front seats

### Interior equipment

Black cloth headlining  
Gear knob in perforated leather  
3-spoke leather multi-function steering  
wheel – with S line logo (with shift  
paddles on automatic models)  
Matt-brushed aluminium fascia and  
door trims

### Exterior equipment

Headlight washers  
S line body styling (front bumper and  
rear diffuser in Sports design)  
Xenon Plus headlights with LED  
daytime-running lights and kerb lights

Front Sports seats with S line logo

3-spoke leather multi-function steering  
wheel – with S line logo

# Le Mans Edition model equipment

## In addition to S line model equipment

**Basic RRP**  
£595.65

**Total RRP inc VAT**  
£685.00

Audi is no stranger to victory at Le Mans – we've won the legendary 24-hour race 8 times in 10 years. Our greatest triumph came on 18 June 2006, when we became the first manufacturer ever to win Le Mans with a diesel car.

The theory was simple but it made the technology extremely efficient: we injected exactly the right amount of fuel and air into the engine's combustion chambers, which resulted in less wastage and fewer pitstops. Now we've produced a range of very special 'Le Mans' A6 models which use the same remarkably efficient TDI and FSI technology that has been integral to our recent Le Mans victories.

Unlike the race-winning R10, however, this model comes complete with the following features:

### Wheels, tyres and suspension

19" x 8.5J '7-double-spoke' design alloy wheels with 255/35 R19 tyres

### Exterior equipment

Acoustic parking system – rear  
Le Mans Edition badging  
Metallic paint

### Seats

Heated front seats

### Interior equipment

Light package

**In addition to A6  
Standard model  
equipment**

**Wheels, tyres and suspension**

19" x 9J 5-arm 'S' design alloy wheels with 265/35 R19 tyres  
Full-size spare wheel

**Audio and communication**

6-disc CD changer  
Bluetooth mobile phone preparation – high  
HDD Satellite Navigation system  
MMI 3G Multi Media Interface with 7" high  
resolution screen

**Seats**

Leather/Alcantara 'S' Sports seats –  
electrically adjustable with electric  
lumbar support  
Split-folding rear seats

**Interior equipment**

Auto-dimming rear-view mirror  
Carbon Atlas inlays

Coloured instrument inserts with  
white needles

Colour Driver's Information System (DIS)  
Light package

Leather trimmed 3-spoke multi-function  
steering wheel with 'S6' logo, contrasting  
stitching and gear-change shift paddles in  
aluminium look

'S' gear knob in leather and aluminium  
Storage pack (for details see page 51)

**Exterior equipment**

80-litre fuel tank  
Aluminium-look wing mirrors  
Black-painted brake callipers featuring the  
S6 logo at front (15" brake discs at front,  
13" at rear)  
Dual-branch oval exhaust system  
(4 tailpipes)  
LED daytime-running lights integrated in  
the bumper

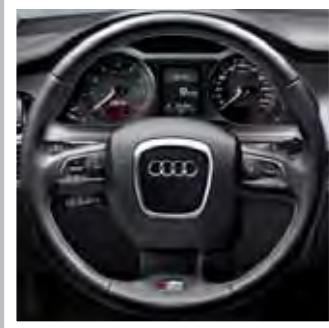

'S' grille (Platinum grey): double  
vertically-oriented chrome struts  
'S' rear spoiler

'S' specific bumpers  
'S' specific Sports chassis with latest-  
generation quattro® all-wheel-drive,  
incorporating a 60/40 rear-biased  
torque-split

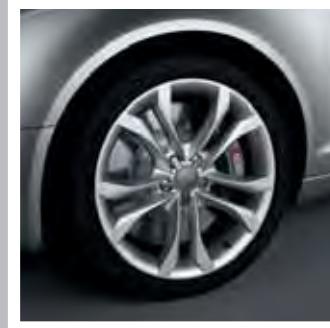

S6 door-sill trim in aluminium look  
V10 badge on wheel arch  
Xenon Plus headlights including  
headlight washers

'S' Sports seats in optional  
Silk Nappa Leather

Leather trimmed 3-spoke multi-function  
steering wheel with S6 logo

19" x 9J 5-arm 'S' design alloy wheels

LED daytime-running lights integrated in  
the bumper

'S' Sports seats in optional  
Silk Nappa leather

## Audi exclusive

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new A6 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

# Paint

## Audi exclusive and customised

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

### Customised paint

If you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.\*

\*Custom paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

VAT is calculated at 15% but this may alter to reflect any change in the applicable VAT rate.

# Upholstery

## Audi exclusive

With Audi exclusive, you can choose between Fine Nappa leather, Valcona leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown here.

Choose just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Options are subject to availability and may extend delivery.

# Upholstery

## Audi exclusive line

Audi exclusive is ultimately about choice – but if you'd rather leave some of the decisions in the capable hands of our designers, the expert team at quattro® GmbH have compiled Audi exclusive line, combining some of the most popular elements of the exclusive range in one, beautifully coordinated package.

Order Code		Standard	SE	S line	Le Mans	SG quattro®	Basic RRP	Total RRP inc VAT
WQC	Audi exclusive line	-	●	-	-	-	£1,608.70	£1,850.00
WQI	Audi exclusive line	-	-	●	●	-	£1,608.70	£1,850.00

Silver – QL

Cognac – QX

Magnolia white – QQ

### The package gives you:

- ▶ Sports seats in two-tone Valcona leather, with black seat-side sections with coloured stitching and coloured seat-centre section in Silver (QL), Cognac (QX) or Magnolia white (QQ)
- ▶ Black dashboard and carpets
- ▶ Black cloth headlining
- ▶ Door-trim inserts in black to match interior trim
- ▶ Audi exclusive door sill trims\*
- ▶ Brushed aluminium inlays
- ▶ Floor mats in black with coloured piping (to match seat-centre section)
- ▶ Leather steering wheel\*\* (multitronic® or tiptronic® with shift paddles)
- ▶ Steering wheel rim and gear lever gaiter with coloured stitching in matching colour to seat-centre section
- ▶ Head restraints with coloured stitching in matching colour to seat-centre section

Options are subject to availability and may extend delivery.

# Audi exclusive controls packs and gear levers

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a controls pack and you can extend this exclusive look and feel to your car's handbrake, gearchannel and gaiter too.

Options are subject to availability and may extend delivery.

# Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A6, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi.

To find out more, just visit [audi.co.uk/accessories](http://audi.co.uk/accessories) or contact your local Audi Centre.

## Warranty

All of the accessories available on the A6 are covered by a three-year warranty\* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.\*

Sport and design

Transport and touring

Entertainment and communication

Comfort and protection

Family

Safety and security

\*Excluding Road Angel products.  
Audi Accessories warranty terms and conditions can be found at [audi.co.uk](http://audi.co.uk)

<sup>2</sup>Top speed is achieved in top gear.

<sup>3</sup>The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but is merely intended for the purpose of comparison between the different vehicle types.

<sup>4</sup>Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

<sup>5</sup>The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Dimensions in millimetres.

\*Maximum headroom.

# Additional information

## CO<sub>2</sub> data and information

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

### Petrol and Diesel engines

A – up to 100g/km	£0.00
B – 101 to 110g/km	£35.00
C – 111 to 120g/km	£35.00
D – 121 to 130g/km	£120.00
E – 131 to 140g/km	£120.00
F – 141 to 150g/km	£125.00
G – 151 to 165g/km	£150.00
H – 166 to 175g/km	£175.00
I – 176 to 185g/km	£175.00
J – 186 to 200g/km	£215.00
K* – 201 to 225g/km	£215.00
L – 226 to 255g/km	£405.00
M – over 255g/km	£405.00

\*Band K includes cars that have a CO<sub>2</sub> figure over 225g/km but were registered before 23 March 2006.

### Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future resale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time

and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

### Fixed Inspection Service Schedule

Fixed Inspection Service Schedule		Variable LongLife Service Schedule	
Mileage	Vehicle usage: Less than 10,000 miles per annum	Mileage	Vehicle usage: More than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys	Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing	Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving	Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
Oil-change Service	Service Intervals: Fixed to every 9,000* miles/1 year	Oil-change Service	Service Intervals: Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Service Intervals: Fixed to every 19,000* miles/2 years	Inspection Service	Service Intervals: Fixed to every 19,000* miles/2 years

\*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

# Additional information

## Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

## Audi Promise

### Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm

Saturday 9am–5pm

Service: Monday to Friday 8am–6pm

Saturday 8.30am–1pm

Sunday opening is at local discretion.

### New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

### The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our duty of care, we will notify you in plenty of time so you can make an appointment with us.

### Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment\* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.\* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

### Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.\*\* We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

### We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

### The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

### Getting better every time

Audi continually gather feedback from our highly trained Technicians and our customers to ensure our vehicles are running as they should. If necessary, we use this feedback to make improvements (in the form of software updates) to help maintain the durability, performance, efficiency and safety you would expect from our cars. These updates will also ensure certain retrofitted products are correctly installed and function correctly (tow bar fitting changes the torque characteristics of your engine, for example). We ensure these are loaded onto your vehicle each and every time it's in our workshop.

### Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

\*Subject to availability.

\*\*Excludes wear and tear.

# Pricing information

## Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 15% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.30
Number plate	£20.00
VAT	£73.70
Total	£565.00

## Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

## Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

This package, together with Audi variable service intervals, offers a combination unmatched by any other major manufacturer.

Contact your Audi Centre for full details.

## Extended Warranty

1-year Warranty Extension.

Audi Warranty Extension prolongs your 3-year/60,000-mile Audi warranty to 4 years or 75,000 miles (whichever comes sooner). Comprehensive cover equivalent to the Audi warranty protects you against unexpected repairs. This is only available when you buy a new car and it is transferable between owners.

Contact your Audi Centre for full details.

2-year Warranty Extension.

Audi Warranty Extension prolongs your 3-year/60,000 mile Audi warranty to 5 years or 90,000 miles (whichever comes sooner). Comprehensive cover equivalent to the Audi warranty protects you against unexpected repairs. This is only available when you buy a new car and it is transferable between owners.

Contact your Audi Centre for full details.

## Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

## Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products:

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

## Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary 7-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and it can begin as soon as your free 7-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
