The new Audi Q5

The Audi Q5 was built to break the mould. With its spacious yet streamlined body, it's no typical SUV, combining the poise and athleticism of a coupé with the practicality and space of a much larger car. Its flowing shape also incorporates some other attractive features, such as imposing 17-inch alloy wheels and five-link front suspension for superb handling. And then there's the range of advanced optional equipment on offer, including our latest HDD-based Satellite Navigation system.

Behind all this lies the remarkable road-holding of quattro® all-wheel-drive, the technology that underpins our most historic achievements on the rally circuit. And it comes with a choice of powerful FSI or TDI engines, which use direct fuel injection for increased efficiency and better performance. A new 7-speed S tronic gearbox is also available to provide seamless, lightning-fast gear changes.

A design composed of smooth, sweeping lines, deliberately avoiding the 'boxy' SUV shape we've come to expect. A practical, spacious car that's nevertheless built for driving pleasure. In fact, with its impressive drag coefficient of just 0.33, it's one of the most streamlined and aerodynamic cars in its class. See it for yourself over the following pages.

Petrol

Both TFSI® and FSI® petrol engines are available on the new Audi Q5. TFSI is a unique Audi innovation which leads to enhanced fuel efficiency. It combines turbo-charging with the FSI technology that was originally developed for the Le Mans 24-hour race to deliver more power and torque, while using less fuel. With both engines, precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. This results in reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for someone who's looking for an uncompromising, exhilarating drive.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology for even more efficiency and power. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature and uses less oxygen, which in turn reduces emissions.

Permanent all-wheel-drive

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi Q5 so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling

the car as needed, for a driving experience that's both dynamic and safe. In the Audi Q5, asymmetric-dynamic torque distribution continuously distributes drive power between the front and the rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

Standard model equipment

Archiv: www.auto-preisliste.de

All new Audi Q5 models have the following items of standard equipment:

Wheels, tyres and suspension

17 x 8J '6-spoke' design alloy wheels with 235/65 R17 tyres
Tyre mobility system
Servotronic speed-related power-assisted steering

Audio and communication

6 speakers (80 Watts)
Audi Concert radio – CD player with MP3 compatibility,
6.5" colour centre console screen, including AUX-IN socket
Multi Media Interface

Seats

3-point seat belt with belt-force limiters for all 5 seats
Split-folding rear seat
Steppe cloth upholstery

Safety and security

Anti-theft device – Thatcham category 1 approved
Electromechanical parking brake
First-aid kit
Front and rear fog lights
Front and rear ISOFIX seats with airbag de-activation
switch for front passenger seat
Halogen headlights with daytime-running lights
Hill descent control with off-road Electronic Stability
Programme (ESP)
Side airbags for driver and front passenger seats
Tool kit and car jack
Warning triangle

Interior equipment

1-zone climate control
4-spoke leather steering wheel
Driver's Information System (DIS) – red and black
Front and rear electric windows
Front and rear floor mats
Micrometallic inlays

Exterior equipment

Aluminium roof rails with roof bar detection (automatically
adjusts the ESP to react to the higher centre of gravity when
roof bars are in place)
Black exterior window trims
Contrasting bumpers
Door mirrors – electrically adjustable and heated
Stone grey finish grille
Rear spoiler
Roof bars

17" '6-spoke' design alloy wheels

Door mirrors – electrically adjustable and heated

Halogen headlights with daytime-running lights

S tronic®

The revolutionary 7-speed S tronic gearbox combines sporty driving with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of S tronic is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. It means that S tronic works almost as two separate systems: one engaging the odd-numbered gears, the other the even-numbered gears, enabling gearshifts to be made

in a fraction of a second, with no disruption to the power flow. So with S tronic, depending on how the mood takes you, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the system using the gear lever or the optional steering wheel shift-paddles. The choice is yours.

Adaptive lights

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your Audi Q5 with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour, seats in a combination of complementary shades or even individualised carpets and floor mats, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Customised Paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact water-based metallic or pearl-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Basic RRP	Total RRP ^{inc. VAT}
£2,043.00	£2,350.00

Palace blue, pearl effect

Morning dew, metallic

Sand beige, pearl effect

Velvet purple, pearl effect

Oak green, metallic

Saddle brown, pearl effect

Classic red, pearl effect

Or any other paint colour in the Audi range

Basic RRP	Total RRP ^{inc.} _{VAT}
£1,448.00	£1,665.00

Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Inlays

Inlays are the all-important ‘finishing touch’ that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from rich quilted maple wood to clean, contemporary brushed aluminium. You can even customise your gear knob and steering wheel with one of the available woods, all of which are shown opposite.

Order code		Standard	SE	S line	Basic RRP	Total RRP ^{inc. VAT}

Fine grain maple copper

Fine grain ash nougat

Fine grain myrtle nutmeg

Poplar saffron

Upholstery

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

Carpets and floor mats

Exclusivity isn't just about choice and individuality – it's about attention to every detail in your Audi Q5; and for us, that includes the carpets and floor mats. First, choose from nine different colours of high-quality velour carpets. Next, choose the colour of your car's floor mats from the same list, whilst using the palette of Audi upholstery colours detailed on page 53 to select a leather colour for the mats' decorative leather piping – matched or contrasting, depending on your personal taste.

Order code		Standard	SE	S line	Basic RRP	Total RRP <small>inc. VAT</small>

Controls pack and steering wheel

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise your steering wheel and gear knob in smooth, warm leather, in any of the colours shown on page 48. As with Audi exclusive seats and you even have free choice on the colour of the decorative stitching used.

Order code		Standard	SE	S line	Basic RRP	Total RRP <small>inc. VAT</small>

Audi exclusive line

Audi exclusive is ultimately about choice – but if you’d rather leave some of the decisions in the capable hands of our designers, the expert team at quattro® GmbH have compiled Audi exclusive line, combining some of the most popular elements of the exclusive range in one sporty, beautifully co-ordinated package. The package gives you:

- ▶ Two-colour seat upholstery (black seat side sections, seat centre section in alabaster white, magnolia or cognac) in Fine Nappa leather
- ▶ Seat side sections and head restraints with coloured piping (to match seat centre section)
- ▶ Sports seats including electric lumbar support
- ▶ Black interior including black add-on seat parts
- ▶ Headlining in black cloth
- ▶ Audi exclusive door sill trims, additional stainless steel loading lip cover
- ▶ Leather-covered cockpit on driver’s side in black with coloured stitching
- ▶ Inlays in Matt-brushed aluminium or Walnut natural
- ▶ Leather-covered sports steering wheel in 3-spoke design with coloured stitching (to match seat centre section)

- ▶ Gear lever gaiter with coloured stitching (to match seat centre section)
- ▶ Armrest in door trims in leather with coloured stitching (to match seat centre section)
- ▶ Floor mats with coloured piping (to match seat centre section)

Can only be combined with:

- ▶ Leather-covered multi-function steering wheel in 3-spoke design with or without gearshift function each with coloured stitching (to match seat centre section)
- ▶ Rear bench seat plus (5KA). Not available in conjunction with other seat upholstery, other inlays or S line Sports package plus. Only available in conjunction with seat heating

Off-road capabilities of the Audi Q5

Archiv: www.auto-preisliste.de

The Audi Q5 excels both on the road and off it, thanks to its impressive all-terrain abilities. And these attributes are reinforced by special technologies, such as hill descent assist, ABS with automatic off-road detection and an Electronic Stability Programme that includes an off-road mode.

Off-road capabilities of the Audi Q5

Archiv: www.auto-preisliste.de

Hill descent assist

Available as standard in the Audi Q5, hill descent assist automatically maintains the speed set by the driver on steep descents and on any surface (up to 19mph). This makes negotiating descents far more straightforward and substantially enhances stability. Hill descent assist is activated and deactivated using a separate button.

ESP off-road mode

The Electronic Stability Programme in the Audi Q5 features a special off-road mode which can be controlled by a switch. This reprograms the ESP system, traction control and anti-lock braking system to adapt them to the driving conditions encountered in off-road terrain, such as sand, gravel or mud. This leads to good traction in all conditions, a more exciting drive and great handling even on difficult surfaces.

CO2 data and information

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO2) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 110g/km	£35.00
C – 111 to 120g/km	£35.00
D – 121 to 130g/km	£120.00
E – 131 to 140g/km	£120.00
F – 141 to 150g/km	£125.00
G – 151 to 165g/km	£150.00
H – 166 to 175g/km	£175.00
I – 176 to 185g/km	£175.00
J – 186 to 200g/km	£215.00
K* – 201 to 225g/km	£215.00
L – 226 to 255g/km	£405.00
M – over 255g/km	£405.00

*Band K includes cars that have a CO2 figure over 225g/kg but were registered before 23 March 2006.

Audi Servicing

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi’s performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule

Inspection Service Regime

Vehicle usage:	
Mileage	Less than 10,000* miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, ‘sporty’ driving

Enhanced LongLife servicing

Fixed Audi Inspection Service Intervals:	
Oil-change Service	Fixed to approximately every 10,000* miles/1 year
Inspection Service	Fixed to approximately every 20,000* miles/3 years, then approximately every 20,000* miles/2 years thereafter

has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

LongLife Service Regime

Vehicle usage:	
Mileage	More than 30 miles per day
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

Audi LongLife Service Intervals:	
Oil-change Service	Variable to a maximum of approximately every 20,000* miles/2 years
Inspection Service	Fixed to approximately every 20,000* miles/3 years, then approximately every 20,000* miles/2 years thereafter

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am–6pm Monday to Friday
9am–5pm Saturday

Service: 8am–6pm Monday to Friday
8.30am–1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from. Below is our full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all our finance products, you can choose one of our fixed-cost maintenance plans, which are designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
