The Audi Q7

Archiv: www.auto-preisliste.de

The unprecedented Audi Q7 combines all the rugged energy of an SUV with the looks and high performance of a stylish sports coupé. As the ultimate expression of quattro permanent four-wheel-drive, it's designed to take you off the beaten track and beyond; helped, of course, by a choice of incredibly powerful engines. Capable of reaching 62 mph in between 8.5 and 6.4 seconds, these engines impart a level of acceleration not normally associated with an SUV; and the exhilarating performance credentials don't end there. 18" alloy wheels and 5-mode adaptive air suspension are also included as standard.

The Audi Q7, however, isn't all about performance-fuelled hedonism. Beneath its sleek, sporty exterior styling and luxurious interior finish lies a wealth of practical touches – everything from climate control and heat-insulating tinted glass to rain-activated automatic windscreen wipers. The Audi Q7 also features a massive amount of luggage space, with seats that fold away quickly and simply to form a level load floor, revealing up to 2,035 litres of additional storage space. And should you ever manage to fill it from floor to ceiling, the Audi Q7 also thankfully comes with roof rails and rear acoustic parking. With this much Vorsprung durch Technik, there's little room left for improvement.

Petrol

V6 3.6 FSI and V8 4.2 FSI

All Audi Q7 petrol engines feature FSI® direct-injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque as well as enhanced fuel efficiency. The way it does this is, in theory, very simple. Precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for the buyer who wants a sporty, exhilarating drive without the drawbacks of excessive fuel costs or higher emissions.

Diesel

V6 3.0 TDI and V8 4.2 TDI

All diesel engines from Audi are known as TDI. This impressive technology was originally pioneered by Audi in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. Like its FSI petrol counterpart, the TDI diesel engine is designed for power and performance, with low fuel consumption and CO2 emissions. All Audi Q7 TDI engines are based on the common rail system. Here, fuel is stored and kept at constant pressures of up to, 600 bar, ready to feed a series of highly accurate piezo injectors, which control the rate and point of injection.

Transmission

Archiv: www.auto-preisliste.de

tiptronic

The 6-speed tiptronic transmission system is a form of automatic transmission available on all Audi Q7 models. The technology incorporates DSP – or the Dynamic Shift Programme which aligns and converts the engine's high power and torque into both sporty performance and

operating convenience, with crisp, fast gear changes, reduced weight and optimised gearshifting. In the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic respond efficiently to every driver input, helping to prevent unwanted gear-changes. The driver can override automatic

mode by moving the gear lever into a tiptronic shift-gate, enabling spontaneous gear-changing for a sportier driving style.

Permanent four-wheel-drive

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi Q7 so thrilling to drive. It's called quattro permanent four-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe. In the Audi Q7 drive power is continuously distributed between the front and rear axles depending on weather conditions, road surface and gradient.

Standard model equipment

Archiv: www.auto-preisliste.de

All Audi Q7 models have the following items of standard equipment:

Wheels, tyres and suspension

18 x 7.5J '7-hole' alloy wheels with 235/60 R18 W tyres
Adaptive air suspension – electronically controlled air suspension with continuously adaptive damping system for all four wheels which regulates ride height and damping automatically. Choice of 5 modes (automatic, comfort, dynamic, off-road and lift) selected via the MMI system
Locking wheel-bolts
quattro permanent four-wheel-drive
with asymmetric/dynamic distribution

Audio and communication

MMI with 8 loudspeakers, monochrome display in dashboard and 4 function keys
Radio/CD player in front instrument panel

Seats

7 seats (3 rows of seats) – second and third row can be split and folded flat to form a level load-area
Cosmo cloth upholstery

Safety and security

Anti-theft alarm (Thatcham Category 1 approved)
Brakes with Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD)
Door exit lights at the front
Driver and front-passenger airbag
with front-passenger airbag de-activation
Electronic Differential Lock (EDL)
Electronic Stability Program (ESP) with extended on and off-road functions and Trailer Stabilisation system
First-aid kit
Parking brake – foot operated

7 seats

18 x 7.5J '7-hole' alloy wheels

(C) auto-preisliste.de: Dateinutzung ist nur zum privaten Gebrauch gestattet – weitere Veröffentlichung, Übermittlung, Reproduktion oder andere Nutzung dieser Datei ist untersagt bzw. bedarf unserer schriftlichen Zustimmung.

Rear acoustic parking
Side airbags for driver and front passenger
Side-impact protection in the doors
Sideguard head airbag system to protect front and outer rear passengers in a side collision
Tool kit and car jack in luggage compartment
Warning triangle with bracket

Interior equipment

4-spoke multi-function leather steering wheel
Automatic climate control with separate driver and front passenger controls
Auto-dimming rear view mirror
Cargo nets on backs of front seats
Centre console with air- conditioning control panel, ashtray, selector lever, MMI terminal, coin holder, cigarette lighter and 12V socket, two cup holders and storage compartment
Cigarette lighters in the centre console, front and rear
Compartment for glasses in roof module

Cruise control – maintains any desired speed from approx. 20 mph
Cup holders – 2 at front of centre console, 2 in rear armrest and 2 in side trim of third seating row
Double load-floor with storage compartment and dirt resistant tray
Driver's Information System (DIS)
Floor mats front and rear
Front centre armrest, folding with storage compartment underneath
Illuminated vanity mirrors integrated into front sun visors
Inlays to fascia and door cappings in gloss black

Airbags

Adaptive air suspension

Interior equipment continued

ISOFIX child seat mounting (front left and outer seats of the 2nd seat row)
Load-through hatch in the rear-seat back-rest
Luggage compartment cover
Luggage net in luggage compartment
Rear centre armrest in rear-seat back-rest, folding, with 2 cupholders
Scuff plates with metal inlays
servotronic steering – power steering with speed-dependent control

Socket, 12V, 1 at front of centre console, 2 at rear of centre console and 1 in luggage compartment
Space-saving spare wheel (with compressor) – max. speed 50mph
Storage net at side of luggage compartment
tiptronic – 6-speed automatic transmission with Dynamic Shift Program (DSP)

Exterior equipment

Bumpers, plastic-covered, and rear bumper cover in matt black
Door mirrors – electrically-operated, heated and folding, with heated washer jets.
Front fog lights integrated into the front apron
Light and rain sensor for automatic activation of headlights and front wipers
Roof rails (black)

Automatic climate control

4-spoke multi-function leather steering wheel

Standard model prices

Petrol

Engines	Power	Transmission	Basic RRP	Total RRP ^{inc. VAT}	Recommended OTR
3.6 FSI	280PS	6-speed tiptronic	£32,255.32	£37,900.00	£38,825.00

Diesel

Engines	Power	Transmission	Basic RRP	Total RRP ^{inc. VAT}	Recommended OTR
3.0 TDI	240PS	6-speed tiptronic	£32,170.21	£37,800.00	£38,725.00

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to horsepower, divide the PS figure by 1.0139.

Recommended On-The-Road (OTR) retail prices include: delivery charge of £675.00, first registration fee of £50.00 and Road Fund Licence (which may vary depending on model. See page 62 for details) and first registration fee at £50.00.

RRP – Recommended Retail Price.
For OTR price calculations, the maximum possible Road Fund Licence value has been used (see page 62 for details).

SE model equipment

In addition to Standard model equipment:

SE model premium

Basic RRP	Total RRP inc. VAT
£2,217.66	£2,500.00

Wheels, tyres and suspension

18 x 8.5J '5-parallel-spoke' alloy wheels with 255/55 R18 Y tyres

Seats

Cricket leather upholstery to seat facings, head restraints and front and rear centre armrests

Front seats electrically adjustable with adjustment for forwards/backwards position, seat height, seat and backrest angle, and electric lumbar support

Seat heating for front seats

Interior equipment

Aluminium-look air vent surrounds

Choice of Fresco or Velour carpet

Comfort front centre armrest

Door trim centre section upholstered in Alcantara

Inlays in a choice of Olive Ash beige, Tamo Ash dark brown, Walnut natural or Aluminium Marlin silver

Lighting package – includes door lighting under the exterior door mirrors, ambient lighting of the centre console using LED technology, active door reflectors in the front and rear doors, footwell lights at front and rear with LED technology, rear door exit lights, lighting for air vents in the B-pillar and ashtray in the rear

Exterior equipment

Contrasting bumpers – front and rear bumpers and side sills painted. With the exterior colours Sycamore green and Quartz grey, contrasting paint finish is in Matt silver. For all other colours, contrasting paint colour is Matt Platinum grey

Polished roof rails and window trim

18 x 8.5J '5-parallel-spoke' alloy wheels

Cricket leather upholstery

Polished roof rails and trim strips

Clear rear taillights

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your Audi Q7 with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour, seats in a combination of complementary shades or even individualised carpets and floor mats, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Upholstery

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

£1,872.34	£2,200.00

Customised Paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact water-based pearlescent or metallic-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Basic RRP	Total RRP ^{inc.} VAT
£2,297.87	£2,700.00

Controls Pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise your steering wheel, gear knob and gaiter in smooth, warm leather, in any of the colours shown on page 51. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used.

	Basic RRP	Total RRP ^{inc. VAT}
Controls pack	£382.98	£450.00

Carpets and floor mats

Exclusivity isn't just about choice and individuality – it's about attention to every detail in your Audi Q7; and for us, that includes the carpets and floor mats. First, choose from ten different colours of high-quality velour carpets. Next, choose the colour of your car's floor mats from the same list, whilst using the palette of Audi upholstery colours detailed on page 51 to select a leather colour for the mats' decorative leather piping – matched or contrasting, depending on your personal taste. Floor mats are included when you order Audi exclusive carpet; but if you wish, floor mats can also be purchased separately in a set of four.

	Basic RRP	Total RRP ^{inc. VAT}
Carpets	£1,191.49	£1,400.00
Floor mats	£297.87	£350.00

Carpet colours

- ▶ Alabaster white
- ▶ Magnolia
- ▶ Sand beige
- ▶ Havana brown
- ▶ Cocos
- ▶ Cognac
- ▶ Chestnut brown
- ▶ Palace blue
- ▶ Amethyst grey

Inlays

Inlays are the all-important ‘finishing touch’ that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from rich quilted maple wood to clean, contemporary brushed aluminium. You can even customise your gear knob and steering wheel with one of the available woods, all of which are shown opposite.

	Basic RRP	Total RRP ^{incl VAT}
Inlays	£680.85	£800.00
Carbon inlays	£1,063.83	£1,250.00
Gear knob	£153.19	£180.00
Steering Wheel	£553.19	£650.00

Fine grain maple copper

Oak sepia

Fine grain ash nougat

Quilted maple gold

Fine grain myrtle nutmeg

Brushed aluminium

Poplar saffron

Audi exclusive line

Audi exclusive is ultimately about choice – but if you’d rather leave some of the decisions in the capable hands of our designers, the expert team at quattro GmgH have compiled Audi exclusive lines, combining some of the most popular elements of the exclusive range in one sporty, beautifully co-ordinated package. The package gives you:

- ▶ Two-tone Fine Nappa leather upholstery. Seat centres in Magnolia white, Silver or Cognac brown. Seat-side sections and head restraints in black with decorative stitching to match seat centres
- ▶ Door trim inserts in Fine Nappa leather to match seat centres
- ▶ 3-spoke sport multifunction steering wheel in black leather and gear lever gaiter with stitching to match seat centres
- ▶ Black front and rear floor mats with leather piping to match seat centres
- ▶ Matt brushed aluminium inlays
- ▶ Audi exclusive door sill trims
- ▶ Black cloth headlining
- ▶ Black dashboard and carpets

2325	3120	100/130	750	3200	3200	775/2035	100	21.9 (12.9)	34.9 (8.1)	28.8 (9.8)
2450	3245	100/130	750	3200	3200	775/2035	100	19.0 (14.9)	31.7 (8.9)	25.4 (11.1)

⁴Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁵The engine's power output always goes down with increasing load. The maximum power output is reduced by 10% for every additional 400 kg of load (exceeding 10% of the weight of the towing vehicle). Value applies to trailer load for factory-fitted trailer towing hitch.

Audi Q7 – Dimensions

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle sitting on 200 x 100 x 50mm blocks. Second value is with the rear seat folded down, and the vehicle loaded up to the roof height. Turning circle approx 12m.
¹ With air suspension, in lift mode.
² With air suspension, in loading level.

CO2 data and information

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO2) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created seven categories:

Petrol and Diesel engines		
A	– up to 100g/km	£0.00
B	– 101 to 120g/km	£35.00
C	– 121 to 150g/km	£115.00
D	– 151 to 165g/km	£140.00
E	– 166 to 185g/km	£165.00
F	– 186 to 225g/km	£205.00
G	– over 226g/km	£300.00

CO2 emission figures

The CO2 emission figures quoted in the technical data section on page 15 are based on a fully laden vehicle, including the driver, and the heaviest possible options configuration. Actual CO2 emissions may be lower depending on options selected.

Servicing

Servicing tailored to your needs

Prior to the 2000 model year, almost all Audi models followed a traditional fixed Service Schedule similar to that of other major car manufacturers: a Lubrication Service every 10,000 miles and an Inspection Service every 12 months or 20,000 miles – whichever occurred sooner. Since then, Audi has introduced a more flexible maintenance system that works in accordance with how, where and how much an individual uses their car.

The two Servicing Regimes available are the conventional 'Inspection Service Regime' and the flexible 'LongLife Service Regime'. When you purchase a new car, we will recommend one of these regimes to you depending on your own individual driving style and journey-type. The tables below should give you an indication of which regime might be more appropriate for you.

With the LongLife Service Regime, on-board sensors continuously monitor the condition of the engine oil in terms of temperature, level and oil degradation. The monitoring system also checks mileage, brake-pad wear and battery condition. Using this information, the car's on-board

computer calculates its own maintenance interval, providing you with ample warning of a due Service via the 'distance to Service' display.

In practice, this means that every Audi gets the maintenance it needs, when it needs it. For companies and private owners alike, there are many advantages to the LongLife Service Regime. Longer service intervals mean lower maintenance costs, and thus lower whole-life costs. According to company car mileage monitored at Audi since the introduction of LongLife, petrol engines are typically achieving an average of at least 17,500 miles and diesel engines around 20,000 miles between services.

One of the factors that makes this kind of servicing regime possible is the advanced engineering and technology that goes into Audi engines. Furthermore, Audi use high-grade long-life oils such as Castrol SLX LongLife III, which are designed to withstand ageing and high loads without deterioration. Compared to conventional oils, these advanced-formulation oils also give exceptional levels of engine protection, are kinder to the environment and deliver average fuel savings of 2.7%.

Inspection Service Regime

Vehicle usage:	
Mileage	Less than 10,000* miles per annum.
Type of Journey	Mainly city/town centre driving. Short journeys.
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing.
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving.

Service intervals:	
Oil-change Service	Every 10,000* miles / 1 year
Interval Service	Every 20,000* miles / 2 years
Interval Service Inspection	Every 40,000* miles / 4 years

LongLife Service Regime

Vehicle usage:	
Mileage	More than 30 miles per day.
Type of Journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading.
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3000.

Service intervals:	
Interval Service	Flexible to a maximum 20,000* miles / 2 years
Interval Service Inspection	Every 40,000* miles / 4 years

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am–6pm Monday to Friday
9am–5pm Saturday

Service: 8am–6pm Monday to Friday
8.30am–1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

All our courtesy cars are insured and fuelled

Upon collection or delivery, your courtesy car will have a minimum of a quarter of a tank of fuel; all we ask is that you replace any fuel used before returning it to us. On presentation of your driving licence, we will also insure the car free of charge.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5%.

Delivery charges and numberplates are not included in the vehicle price.

Delivery charge	£469.36
Numberplates	£20.00
VAT	£85.64
Total	£575.00

Audi Roadside Assistance

Your new car comes complete with free roadside assistance and recovery across the UK provided by RAC Motoring Services. Your 24 months' free cover can be extended for a further year free-of-charge, provided that your vehicle is serviced and, if necessary, repaired by an Authorised Audi Centre or Audi-Authorised Repairer in accordance with the manufacturer's instructions.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery.

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from. Below is our full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire Purchase
- ▶ Lease Purchase
- ▶ Finance Lease
- ▶ Contract Hire

With all our finance products, you can choose one of our fixed-cost maintenance plans, which are designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
