DS 5
— SPECIFICATION —
FROM 1 NOVEMBER 2017

LET INSPIRATION DRIVE YOU

— DS 5 —

A powerful expression of style, craftsmanship and technology, DS 5 is more exclusive than ever. A combination of contemporary design details, the latest engineering technology and premium specification make DS 5 truly avant-garde.

ELEGANCE

Exterior Style

- 18 inch 'Adelaide' Onyx Black alloy wheels*
- Dark tinted rear windows
- Chrome sabres
- Chrome side rubbing strips

Lighting and Visibility

- Height-adjustable halogen headlights
- LED Daytime Running Lights (DRLs)
- Front fog lights
- Electrically adjustable, folding, heated door mirrors with LED kerb lighting

Comfort and Convenience

- Keyless entry and start
- Automatic lights and windscreen wipers
- Auto-dimming electrochrome rear view mirror
- Cruise control with speed limiter
- Front and rear electric windows
- Rear parking sensors

Comfort and Convenience (continued)

- Dual-zone automatic air conditioning
- Front armrest with storage
- Automatic electric handbrake
- Rear arm rest with ski-flap
- Height-adjustable front seats
- Rear split/folding seats
- Variable-assistance power steering
- Two rear ISOFIX points with top tether
- Locking wheel bolts
- Height and reach adjustable steering wheel

In-car Entertainment

- 7 inch colour touchscreen
- DS Connect Nav
- RDS radio with 6 speakers and AUX socket
- DAB digital radio
- Bluetooth® handsfree and media streaming with USB socket
- Mirror Screen with Mirror Link® and Car Play™
- Steering wheel controls

Safety and Security

- ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance
- DS Connect Box Emergency & Assistance system
- Alarm and immobiliser
- Remote central locking with deadlocks
- Compressor with puncture repair kit
- Tyre pressure sensors
- Driver, front passenger, front lateral and curtain airbags (including row 2)

Interior Features

- Basalt Black 'Amucara' cloth upholstery
- Cockpit roof with individual electric sunblinds
- Leather steering wheel with chrome inserts
- Analog clock
- Titanium-effect interior finishers
- Front and rear metal door sill protectors

* BlueHDi 120 fitted with 17 inch 'Houston' alloy wheels.

PERFORMANCE LINE

The DS brand has decided to create models directly inspired by the world of motorsport, and has revealed a new line common to all its models:
DS Performance Line.

PERFORMANCE LINE (In addition to Elegance)

Exterior Style

19 inch 'Cairns' gloss black alloy wheels*
DS Performance stripe graphics*
Performance Line badging*

Comfort and Convenience

DS LED VISION DIRECTIONAL XENON HEADLIGHTS

The headlights of DS 5 combine LED technology with a Xenon module to produce a wide, deep, white beam that reduces eye strain at night but uses less energy. The headlights also follow the steering to light up corners, a technology DS pioneered. Distinctive scrolling LED indicators complete this contemporary lighting signature.

DS CONNECT NAV SATELLITE NAVIGATION*

A centrally-mounted 7-inch colour touch screen allows you to control many of the major functions in DS 5. This is a safe, intuitive way of accessing items such as satellite navigation and smart phone connectivity.

TomTom mapping data provides a detailed 3D map and directions, and lifetime free map updates are included as standard, so you can always rely on the most up to date information available. A comprehensive database of fuel stations, parking and Points of Interest is also searchable, based either on the current location, the programmed route or close to the final destination. Plus, real-time details on pricing, contact information and availability are also provided thanks to the TomTom live data feed.

For even more safety and convenience, all key functions; including navigation, media and telephone are available via voice recognition.

* Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

DS 5 WITH APPLE CARPLAY™

Mirror Screen uses Apple CarPlay™ and MirrorLink® for Android to seamlessly mirror compatible smartphones on the vehicle touchscreen. You're able to access all the key functions of your phone easily and safely while at the wheel of DS 5; browse your music collection and audio books, access maps, compose and listen to SMS messages using voice controls and even access Apple's Siri at the touch of a button. A range of third party apps ensure you're always connected, allowing you to check the weather forecast, locate parking spaces or listen to web radio from all over the world. Mirror Screen – the smart way to use your phone in your DS 5.

(Mirror Screen is fitted as standard to DS5. Functionality may vary and is dependent on a compatible smartphone and apps).

— DS — TECHNOLOGY

PLV SHOCK ABSORBERS

PLV (Pre-loaded Linear Valve) shock absorber technology limits sudden changes in damping force to produce a more linear damping curve, allowing DS 5 to soak up bumps and dips in the road more effectively.

DS CONNECT BOX EMERGENCY & ASSISTANCE

DS Connect Box provides peace of mind that in the event of an emergency, anywhere in Europe, 24 hours a day, 7 days a week, help is always at hand. In the event of a collision severe enough to deploy the vehicle airbags or the seat belt pretensioners, the vehicle automatically makes an emergency call on behalf of the driver. Precise location information is also sent to the call centre so the appropriate emergency service can be dispatched quickly.

DS LED VISION

Comprising as many as 134 individual LED modules and powerful Xenon high-intensity discharge bulbs, DS LED Vision provides a broad beam that's 51% more powerful on dipped beam and 18% on main beam, compared with halogen lights. The light spectrum is close to that of natural light, illuminating the road ahead clearly and reducing eye strain. Thanks to energy-saving LED modules, power consumption is reduced by 38%, which in turn improves fuel economy and emissions. Scrolling indicators provide a highly visible turn signal with a

distinctive and contemporary lighting effect.

THP ENGINES

With constantly variable valve timing and direct-injection pressures of up to 200 bars, these turbo-charged four-cylinder petrol engines deliver remarkable driveability throughout the rev range. The THP 210 version adds sequential triple injection, a twin-scroll fixed geometry turbo-charger, diamond-like coatings (DLC) on key components and graphite-coated pistons to ensure thrilling performance.

BLUEHDi DIESEL ENGINES

BlueHDi diesel technology leads the way in meeting and exceeding the latest Euro 6 emissions standard. The Selective Catalytic Reduction (SCR) module is the most effective method available for the treatment of harmful Nitrogen Oxide (NOx) emissions. Working in conjunction with the particulate filter (DPF), diesel engine emissions are dramatically reduced, cutting not only CO₂, but the other harmful by-products of diesel combustion.

DIMENSIONS

All measurements are in millimetres.

DS CARE FOR CAR & DRIVER

➤ COMPANY CAR BENEFIT-IN-KIND TAXATION CHARGES

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO₂ emissions, measured in grams per kilometre (g/km). The table opposite shows the percentage of the car's list price to be taxed (P11D value[†]).

For example, a New DS 3 PureTech 110 S&S manual Elegance has a CO₂ emissions figure of 100g/km (petrol) and the P11D figure of £16,340. The BIK value would therefore be 17% x £16,340 = £2,777.80 (equivalent to £46.30 pcm for a 20% rate tax payer).

➤ ELECT 4

Elect 4 is an alternative way to enjoy a new DS without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local dealer where you can exchange it for a brand new one. You set your preferred contract terms and anticipated annual mileage. With leasing which can be arranged for a period up to 4 years, Elect 4 offers you an alternative method of funding your new DS. One initial bulk advance rental will be required. This is between 14%-16% of the 'On the Road Recommended Retail Price' plus any advance rental contribution from DS UK. Excess mileage charges may apply if the agreed annual mileage is exceeded. DS Automobiles contribution on selected models only. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month's rental. All based on a 48 month contract with an annual mileage set at 6,000 miles on DS 3, DS 3 Cabrio and 8,000 miles on all other models. All rentals inclusive of VAT. Finance subject to status. Over 18s only. Finance provided by and written quotations available on request from PSA Finance UK Ltd (company registration number 01024322), Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA, UK. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority.

➤ 3 YEARS' DS ROADSIDE ASSISTANCE

In response to a free telephone call in the UK, DS Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for three years, from date of vehicle registration, and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. You can also purchase additional DS Assistance via your local DS dealer at any time. Please note, DS Assistance applies to incidents covered by the new vehicle warranty, and non-vehicle faults, such as running out of fuel or mis-fuelling, instances where keys have been locked inside the vehicle or lost/stolen, road traffic accidents and punctures/wheel changes. Full details are available on request from DS UK via cuk_contactcentre@citroen.com

➤ COMPANY CAR BENEFIT-IN-KIND TAXATION CHARGES
